

Corporate Challenge Lesotho: A Decade of Wellness and Team Spirit

Corporate Challenge Lesotho is honored to have celebrated the 10th edition on October 3rd 2025, bringing together colleagues, friends and family for a day filled with physical activity, collaboration, and fun. This annual event has undoubtedly over the years become a cornerstone of companionship within corporates in Lesotho.

We extend our heartfelt appreciation to His Majesty King Letsie III and Her Majesty Queen Masenate Mohato Seeiso for their gracious presence and for officially opening this milestone event. Their support underscores the importance of health and unity in our nation. A special thank you goes to all our sponsors and over 170 corporates who participated this year. Your commitment to fostering a culture of wellness and teamwork is invaluable, and it is through your generous contributions that we can continue to inspire and engage our communities.

To all the participants and supporters, your enthusiasm and spirit of competition filled the day with energy and excitement. We celebrate each of you for your dedication to personal and collective growth. We further warmly welcome all corporates who participated for the first time.
